Staff Reports

Gallup police responded to a call about a reported stabbing just after noon Feb. 21.

Gallup Police Captain Marinda Spencer said GPD officers responded to a call about a fight at a bus stop on Kachina Street. When they got there, they found two men fighting.

One of the men received a cut on his arm, while the other had what appeared to be a cut to the forehead. Spencer said the cut on the forehead does not appear to be from a knife and may have been caused by the man falling down or hitting his head on something.

Both men have been transported to a local hospital. As of 5 pm the day of the stabbing, no arrests have been made and police have not released the names of either man.
