SANTA FE – The Bureau of Land Management New Mexico has scheduled its quarterly competitive oil and gas lease sale for March 28. The BLM proposes to offer 55 parcels totaling about 15,491 acres in an online auction on www.energynet.com.

The sale notice and environmental documents will be posted online Feb. 11, kicking off a 10-day protest period, which will conclude at 4 pm on Feb. 20. The lease sale will include 46 parcels in New Mexico and nine parcels in Oklahoma.

The parcels in New Mexico include 17 in Sandoval County, 14 in San Juan County, seven in McKinley County, one in Rio Arriba County, four in Lea County, and three in Eddy County. The parcels in Oklahoma include five in Dewey County and four in Woodward County.

The sale notice, environmental documents and more information on how to submit a protest will be available on Feb. 11, at: <https://www.blm.gov/programs/energy-and-minerals/oil-and-gas/leasing/regional-lease-sales/new-mexico>.

Persons who use a telecommunications device for the deaf may call the Federal Relay Service at (800) 877-8339 to contact this individual during normal business hours. FRS is available 24 hours a day, seven days a week to leave a message or question. Replies are provided during normal business hours.
