Middle School, and Miyamura High School received Board Scholar awards for their fall 2018 performance on the state assessment tests in English Language Arts, math, and science.

“We’re proud of each and every student here,” Assistant Superintendent of Business Services Jvanna Hanks said. “We’re also so grateful for the support from parents, grandparents, and the families that help these students as they make their way through their path of life.”

In all, over 200 students were recognized.
