GALLUP - The City of Gallup will be taking the following precautions to prevent the transmission of the COVID-19 during voting for the runoff election;

- Antibacterial wipes and spray, as well as hand sanitizer and gloves will be at every Voting Convenience Center.

-

- Poll officials will ask all voters to sanitize their hands before and after voting.

- Poll officials will continuously wipe down and/or spray sanitize high traffic areas and surfaces, including pens, tabletops, voting booths, and signature pads.

- Poll officials will also monitor the number of voters to ensure that no more than five individuals are allowed within the Voting Convenience Center at any given time. Poll officials will also remind voters to maintain a safe distance of at least six feet between each other.

Early voting is now available at the City Clerk's Office, Gallup City Hall, First Floor, 110 W. Aztec Ave. Early voting continues through March 28.
