---

Low water pressure may be experienced until 9 pm by Gallup water customers in and around the following areas:

▣ 500 & 508 South Second St.

▣ 509B South Third St.

▣ 212B & 208 W. Green Ave.

The Water Department will be repairing a broken water meter in the area and will be required to turn off the water in order to proceed safely.

***Call Utility Dispatch with any questions at (505) 863-1200 or Nicole Hawthorne with the Water Department at (505) 879-5722.***

***ment at (505) 879-5722.***
