Gallup Service Unit will host a flu vaccine event at Red Rock Park, 5757 Red Rock Park Drive, Church Rock, on Sept. 25 from 9 am to 4 pm.

The flu vaccine will be available for people 3 years old and older.

The event is for Indian Health Services Beneficiaries only.

First and second doses of the Pfizer vaccine are available for individuals 12 years old and older. First and second doses of the Moderna vaccine are available for individuals 18 years old and older. All individuals under the age of 18 must be with a parent or guardian.

Individuals should receive a COVID-19 vaccination regardless of whether you already had COVID-19. If you were treated for COVID-19 with monoclonal antibodies or convalescent plasma, you should wait 90 days before getting a COVID-19 vaccine. Talk to your doctor if you are unsure what treatments you received or if you have more questions about getting a COVID-19 vaccine.

For more information contact the Gallup Indian Medical Center COVID-19 Vaccine Information Line at 505-722-1753.
