Staff Reports

According to a City of Gallup news release, the company DUB-L-EE, LLC, an Albuquerque-based plumbing, heating, and construction firm, has scheduled a water shut off between Coal and Aztec avenues for a period of no more than 3.5 hours Tuesday. Water outage will start at 1 pm and last until 4:30 pm.

The City of Gallup encourages those affected by the outage to contact the city's utilities department dispatch at (505) 863-1200, if water is not active after the transfer, as this helps identify additional services that may be needed in the area.

Additional contacts:

Heriberto Vargas – Superintendent – (505) 319-3955

Joshua Baca – Project Manager – (505) 948-4083

Mario Rodriguez—DePauli Construction Manager— (505) 979-4058
