An unscheduled water outage will take place on Aug. 29 from 1:30 pm until 4 pm.

City of Gallup water customers in the 3700 block of Dulce Court will be affected, and customers in surrounding areas may experience low water pressure.

The Water Department will be making repairs to a service line break in the area and will need to shut off the water in order to do their work safely.

Any questions call Utility Dispatch at (505)863-1200.
