For the past two years, the Gallup Sunrise Kiwanis Club has recognized outstanding students each month at Gallup Central High School. These students are chosen by the faculty of GCHS and are honored at the monthly Sunrise-At-Sunset meeting of the Kiwanis Club.

On May 26, Kiwanis members provided a continental breakfast to the faculty of GCHS in appreciation of their excellent work.

The Gallup Sunrise Kiwanis Clubs meets each Tuesday morning, 7 am, at Earl's Restaurant. For more information, contact John Lewis Taylor at (505) 863-3770.
