

I was presented with the 2016 Choice Hotel’s International Service Hero Award. This award is presented to only one Choice Hotel’s employee per year, and when you consider there are over 6,000 Choice Hotel’s in the United States alone, well, that’s pretty cool and a great honor for me, my hotel, and for our community.

I am honored to have received this award and will continue doing what I do to help our community and to help all veterans.
