About 15 children gathered at the Rio West Mall July 18 to listen to dog care tips, including how to safely approach dogs. They applied those newly learned skills by petting Golden Retriever “Kahuna.”

Children finished the event by coloring photos of their pet, as seen in photos.

Gallup Sun Publisher Babette Herrmann, who also rescue dogs under “Four Corners Pet Alliance,” works closely with volunteers from “Rez Dawg Rescue, Inc.” and “Gallup-McKinley Humane Society” to safely transport rescue dogs out of the immediate area for adoption.
