CELEBRATING its 95th birthday, the Office of the Mayor is proud to announce the return of the Summer Nightly Indian Dances, a tradition that has been celebrated for over a century. The dances are a vital part of Native American culture and are a great way to learn more about the history and traditions of the region. The dances will be held on a regular basis and are open to all. The dances are a great way to learn more about the history and traditions of the region.
