ALBUQUERQUE/GALLUP - Dr. Christopher Estabillo Gonzaga, a primary care physician specializing in internal medicine and infectious diseases at Rehoboth McKinley Christian Health Care Services College Clinic in Gallup, is being recognized Oct. 5 at the 9th Annual Panama Heritage Award Celebration. The ceremony will be held from 2-4 pm at the South Broadway Cultural Center, 1024 Broadway Blvd. SE, Albuquerque.

Gonzaga is being honored for his support of the RMCHCS-Immediate Action Group program in which he and his wife RMCH Neurologist Dr. Flor Caballar-Gonzaga, along with Gallup volunteers, raise money to feed the homeless.

In addition to treating residents of McKinley County's healthcare needs for more than twenty years, he has also raised funds for local schools and to help cover the costs of flu vaccines at homeless shelters.

"RMCHCS is honored to have such an outstanding physician, homeless advocate and overall community booster serving at our hospital," RMCHCS CEO David Conejo said. "It is our great privilege to have someone on our staff so committed to Gallup and McKinley County."

RMCHCS has a homeless outreach every Saturday at 8:45 am in conjunction with the IAG, offering a weekly breakfast at the Nizonhi Laundromat parking lot located at 1733 S. Second St. in Gallup where Gonzaga and others volunteer.
