On Nov. 21, from 10 am - 4 pm GallupARTS will hold its first Annual Second Street Arts Festival. For this holiday kick-off event, we will shut down Second Street from Aztec to Coal in Downtown Gallup and fill the streets with vendors, artists, and live performances from the city and surrounding areas.

The spectrum of McKinley County artists will have their works on display and for sale.

This is a great place to find that very special gift including handmade jewelry, ceramics, quilts, gift baskets, soaps, baked goods, home décor, metal arts, photographs and so much that you have been looking for. Local musicians will entertain throughout the day.

GallupARTS is a non-profit organization with a mission to stimulate and expand the breadth of arts in Gallup and McKinley County and sustain an environment that fosters creativity, and promotes commerce, culture, and quality of life.

Artists interested in participating may still register at galluparts.org.
