Cleaning staff entered a room at the Arrowhead Motel at 1191 E. Hwy. 66 on the morning of Feb. 4 to find an unresponsive man inside.

Police and emergency personnel were notified and dispatched at 10:24 am. They confirmed that Jackson Gorman, 62, of Window Rock, Ariz. had died.

Investigators said nothing stood out about the death that would identify it as being a result of foul play.

The body was sent to the Office of the Medical Investigator in Albuquerque for autopsy.
