A 53-year-old Gallup man was arrested and charged with trafficking methamphetamine Oct. 8 after Gallup Police narcotics agents, detectives, and officers served a search warrant at 405 McKee Dr.

The warrant was related to an investigation into the alleged trafficking of methamphetamine, a second-degree felony.

Mohammed F. Uweis was taken into custody for both the second-degree felony and a fourth-degree felony — possession of Fentanyl, as well as an outstanding bench warrant.

Uweis was booked into the McKinley County Adult Detention Center.
