Six occupants were able to walk away uninjured from a three-vehicle collision.

In a Facebook post on Sept. 26, Gallup Fire Department stated that Crew A responded to a call of a reported vehicle collision in downtown Gallup near 300 W. Hwy. 66.

Fire crews arrived at the scene and located the three vehicles involved, one of which was parked on the side of the road. Two of the vehicles were red and gray trucks of unspecified make and model.

Six occupants were observed at the scene by fire crews but no injuries were reported. The crash investigation is ongoing with no further details available at press time.
