

Gallup Police Department Capt. Rick White said police have responded to a handful of reports of mail theft occurring in the area.

“The past several weeks, the Gallup Police Department has seen an increase in mail theft, in incoming and outgoing mail, “ he said.

White recommends that take all outgoing mail to the post office and utilize a Post Office box, if doable. If not, have holiday packages and mail delivered to a secure location.

If you see anyone suspicious in your neighborhood, White said to call police.
