On June 28, enjoy the benefits of the Strawberry Moon also called the Honey Moon or Full Rose Moon. In North American, the appearance of the full moon signals the time to gather strawberries. Madame G recommends that you spend some time looking for ripe fruit. There's nothing like the smell of strawberries. When life gives you strawberries…eat them and enjoy!

Aries (March 21-April 19)

Life is an adventure. You may be the prince of planning, but you're more than capable of a little non-plan fun. Don't confuse planning with preparation. Those are two separate issues. One is important and helps you map out a destination—it's easy to get lost in details. Preparation allows you to successfully complete your journey. You can do anything, but a little planning helps.

Taurus (April 20-May 20)

How long must your journey take? It lasts as long as you need. There is no time limit to the potential you can accomplish. You have more to offer than just hard work. Inside the straight edged fabric of your life is the heart of poet. You should set yourself free to sing whatever tune you want. There is more to life than perfect scores. Good luck!

Gemini (May 21-June 20)

What will you accomplish, if you feel you cannot fail? This doesn't mean you won't fail. But, consider an exercise where you allow yourself to win for once. Instead of always being in the background allow yourself to shoot forward. You know the never ending search for yourself should be exciting. You may experience pain. But, you will also experience joy. You can do it.

Cancer (June 21-July 22)

Stop hating yourself. When you project anger out on the world around you, it bounces right back into your face. You can do whatever it takes to live the life of someone you believe in. Don't just give up with the world. Apathy isn't cool. Don't give up on yourself. Show yourself that you're worth it and head on over for a grand time. You can do this, just let go and smile.

Leo (July 23-Aug. 22)

What a perfect adventure! There's nothing like heading out to discover more about yourself, your family, and your culture. Family lore is outrageously fun and sometimes tragic. Keep shifting until you find the answers. This is the perfect time to cut loose and live the life of your dreams. Don't be afraid to have a little fun. It's never too late or too early to have joy!

Virgo (Aug. 23-Sept. 22)

Don't be afraid, dear Virgo! Life is a challenge and full of terrible moments. But, that makes the time and life we do have special. You know what's right. You know what's worth doing and what isn't. Keep your head up and keep moving forward. This is the chance you've been waiting for. Keep your head up and keep looking for the stars. You've got this.

Libra (Sept. 23-Oct.22)

What will they think of next? Don't just get down in the dumps keep looking towards the forest. If you're too trapped in the details, you may find that life is very frustrating. When you take a step you discover the beauty of the forest. You have less to worry about that you imagine. Don't get so lost in the muck that you forget to face the sun.

Scorpio (Oct. 23-Nov. 21)

Strawberry season is here. Where are the fruits of your labor? Now is the time to go out and look for the wonders of the season. Don't get trapped behind the desk. Don't hide yourself away from your dreams. The albatross across your neck does not define you. Though it appears like all the light has been cast from the room, this too shall pass. Keep going. Don't stop.

Sagittarius (Nov. 22-Dec. 21)

What makes you happy? You are the hero of those in your life. If you want to life this life to be more than you imagine it could be, you must be willing to give back as well. You can't just consume in this world. You must create and give back. Farmers are vital because we rely on the fruits of their labor. What do you tend?

Capricorn (Dec. 22-Jan. 19)

Enjoy this upcoming Full Moon. Consider taking charge of your life. Don't live the lie that is always swarming around: "I can't." You are capable of living the life of your dreams. Take charge of yourself and do what you know is right. Get out there make hell and have fun. Now is the time to face life as it is and live a little. Get jiggy with it!

Aquarius (Jan. 20-Feb. 18)

You have a rowdy, loud, and brash laugh dear Aquarius, let those around you hear it more. Sit back and revel in the recent accomplishments that you have achieved. Enjoy the mayhem others create. Be yourself but don't forget to live the happy life.

Pisces (Feb. 19-March 20)

It may be a confusing time for you Pisces, your time off might be over. Look ahead with enthusiasm towards the future. Do not let recent shortcomings slow down your progress. Move forward whilst standing on the shoulders of giants.
