

Aries (March 21-April 19)

“No man is an island,” this means you Aries. Your independent spirit longs for fulfillment in all areas of your life: work, relationships, and creativity. This is a tall order for anyone, except for you. But, your loved ones can’t read your mind. Let them know you need help. It’s not a weakness to ask for assistance. They’ll appreciate you even more when you do.

Taurus (April 20-May 20)

Efficiency is your first, middle, and last name this month. Libra graced you with creative bursts of energy. Now is the time to master your skills. Do you finally get your heels down in downward facing dog? Maybe you balance all the crooked paintings at Starbucks. Whatever you do, take time to breathe and heal yourself. Perfection is nothing without health.

Gemini (May 21-June 20)

You adore everyone at the moment. Love is in the air and living is easy. Enjoy this time of peace and harmony. Singles get out there and mingle. Your fling may not last forever, but it’s good for the moment. Couples should explore and try something new. Don’t forget the romance.

Cancer (June 21-July 22)

Creativity flows through your talented fingers. While snipping away at dead hair, maybe you opt for a short and unexpected bob. It’s a little messy, looks amazing, and it’s easy. It’s just the right amount of edgy to suit you. Crabby moods are behind you, reach for the stars and dance.

Leo (July 23-Aug. 22)

Got rest? You've laid a stunning foundation. Everyone is impressed. But, all mortals need a little down time. Your family misses you, especially the furry ones. The sun heads into Scorpio on Oct. 23, so don't be afraid to tackle those projects near to your heart. It's the perfect time to finish your novel, run a marathon, or spend time with family.

Virgo (Aug. 23-Sept. 22)

Get ready, get set, FOCUS. Opportunity barged through your doors last month. You're ready to tackle and master. This is the time to sort out those big ideas and projects you love, from those that don't matter. Watch your career and family goals and focus on that. Listen to your gut this month.

Libra (Sept. 23-Oct.22)

You're one year older, stronger, and wiser. The cake is eaten and the presents are tucked away. Now, it's time for work. Your ventures need your focused attention. Libra, your charm and enthusiasm are infectious. People follow your advice. Use a little of that on yourself. Does that outfit say fashionable soccer mom, with a corner office? Or, does it say, overworked, tired, and stressed? Think about it.

Scorpio (Oct. 23-Nov. 21)

Go boldly! That's you dear Scorpio, never one for half measures the sun's upcoming ascension into your house bolsters energy and morale. No one would accuse you of timidity or shallowness. For better or worse, you're as extreme as life and death itself. The third and final of the super moons occurs this month. Defend those in need, even yourself and pet projects. What would you do, if you knew you couldn't fail?

Sagittarius (Nov. 22-Dec. 21)

Brush your hair and clean out your ears Sagittarius. This is the time to clean up and tidy up. Don't leave a loose thread on your best suit, snip it off. Your birthday season is just around the corner. New energy will whip through your like a cyclone. Strap down your tray tables and get ready for a bumpy ride. You'll love it.

Capricorn (Dec. 22-Jan. 19)

This is the time to shine Capricorn. Entertain guests and experience joy. Use your influence generously and help a friend in need. Sometimes introducing two unlikely people does wondrous things. Just watch the bragging. Let your friends sing your praises.

Aquarius (Jan. 20-Feb. 18)

Little steps will take you right to the top. You want to accomplish everything. But, you're like a dog chasing a squirrel, easily distracted. Every morning write down exactly what you need to do. Don't get behind, jump forward and get ahead of the game. Track your progress and you might just surprise yourself.

Pisces (Feb. 19-March 20)

Bon voyage! Your unexpected extroversion and energy will set you on an adventurous path. You're ready for the world and it's ready for you. Take it head on. Pack your bag and feed the dog because you might just be gone for a day, a week, or maybe even four. You're excited and ready for adventure.
