

Welcome to another look at highlights arriving on 4K Ultra HD, Blu-ray and DVD. This is another relatively quiet edition, but there are a few notable releases arriving on disc. So, if you can't make it out to the movies this week or need to stay indoors, be sure to give one of these titles a try.

### ***BIG NEW RELEASES***

**FAR HAVEN:** In this western, a Civil War veteran returns to his hometown after serving time for fighting with superiors. He discovers that his father-in-law has been brutally attacked by a gang of criminals who are threatening the entire area. When the lead discovers that his children are also at risk, the protagonist decides that he must deliver justice.

This picture is a faith-based film that is a DVD-only release. It has played at a few festivals though, where response from its target audience was upbeat. Write-ups state that it has some violence and isn't for small kids, but also complimented the movie for corralling a strong cast and attempting to explore important issues like treatment of Native Americans.

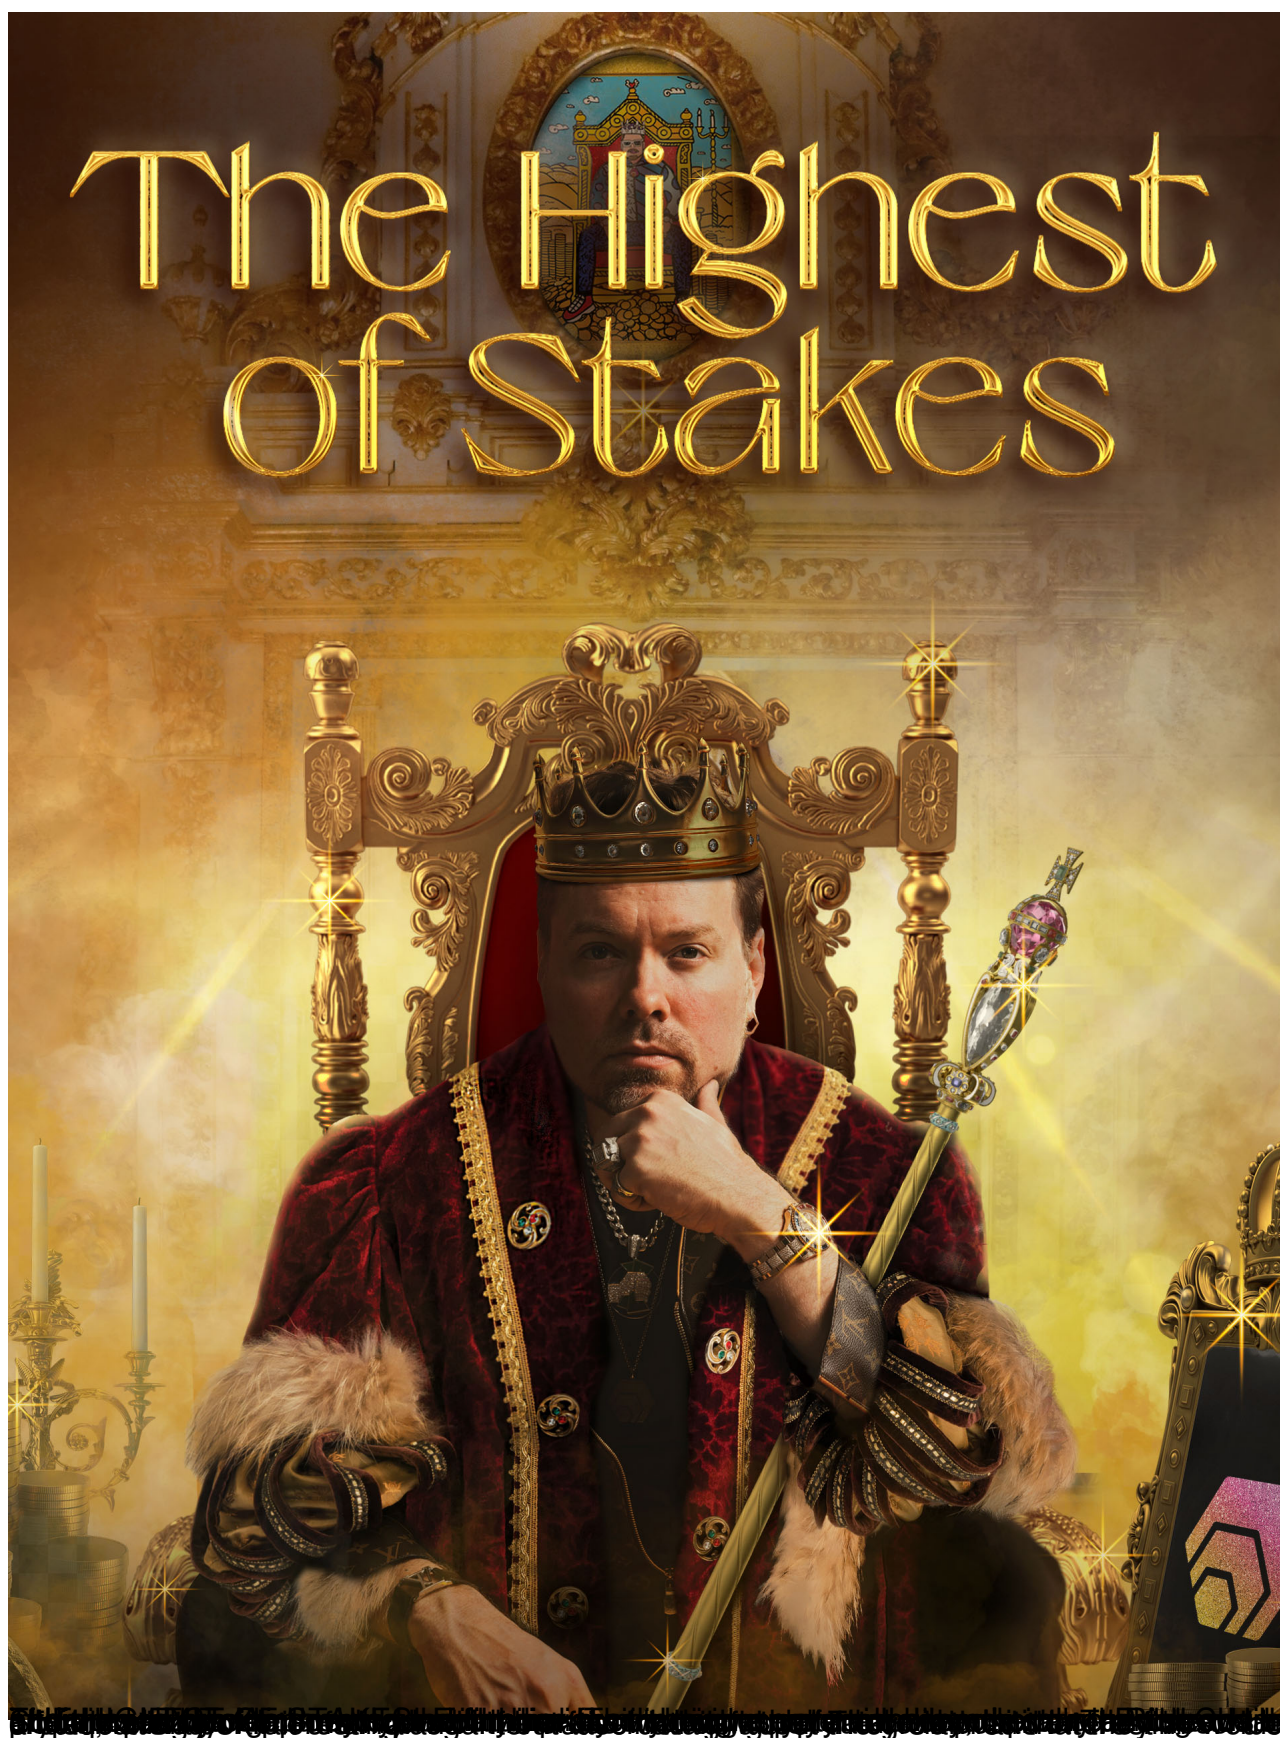

The cast includes Bailey Chase, Amanda Righetti, Bruce Boxleitner, Nancy Stafford, Martin Kove, Chris Mulkey, Jeremy Gauna and Don Most.
