

Welcome to another look at highlights arriving on Blu-ray and DVD. This edition includes some animated fare, a war film and a thriller too, as well as plenty of exciting reissues. So, if you can't make it out to the movies this week or need to stay indoors for a few days, be sure to check one of these titles out!

BIG NEW RELEASES!

JUSTICE LEAGUE: CRISIS ON INFINITE EARTHES – PART 1: DC superhero enthusiasts can now watch the first part in this animated three-movie series. It begins with a character known as the Monitor (who oversees the DC Multiverse) sending a message out to heroes in numerous universes saying he needs their help. A sinister figure is destroying various worlds, seeking to

wipe most of the Multiverse. Various versions of Batman, Superman, Wonder Woman, Superwoman, The Flash and others team up to save their remaining worlds before they are obliterated.

There haven't been many reviews for this title yet, but those that have appeared online have been positive. Many have said that the extended running time allows for more character development and that the film is a very strong beginning to a potentially exciting story. It is available on either 4K Ultra HD or on Blu-ray.

The voice cast includes Alexandra Daddario, Jensen Ackles, Matt Bomer, Stana Katic, Aldis Hodge, Harry Shum Jr. and Zachary Quinto.
