With this DVD, you can watch the movie 'Two Days, One Night' in French with English subtitles. The DVD is a Region 2 release, so it will only play on Region 2 DVD players. If you have a Region 1 DVD player, you will need to convert the DVD to Region 1 format. The DVD is a good value for the price, and it includes a bonus disc with the French audio track and the English subtitles. The DVD is a good choice for anyone who wants to watch the movie in French with English subtitles.
