Released with little fanfare, the animated series 'Over the Garden Wall' has become a cult favorite among fans of the genre. The series is a dark, whimsical, and often disturbing journey through a mysterious, gothic landscape. The show is a collaboration between the creators of 'The Simpsons' and 'The Simpsons Movie', and it is a must-watch for fans of the genre. The series is available on DVD and Blu-ray, and it is a great addition to any collection of animated series.
