Cross Country

The Bears open cross country season this Saturday, Sept. 2, at the Soaring Hawks Invitational in Thoreau. Best of luck to all participants!

Football

The long drive to Crownpoint must have worn the Bears down as the host Eagles defeated them 24-14. It's very early in the season and there is plenty of time to get re-invigorated by the time the Bears hosted Santa Fe Indian School yesterday.

Volleyball

It was a dismal start for the Lady Bears as they lost every match this last week. Grants shut them out first on Aug. 24, then Rehoboth on Saturday, and Tohatchi followed suit on Tuesday. Somewhere there is a bright light in these losses as coach Karen Malone is never one to not learn in every situation.
