In regards to last week's story of 'Big Break' in Vol. 2 Issue 82, Friday Oct. 29, I want to make it perfectly clear that although we do appreciate the \$12 a night discount for four nights at the Red Roof Inn, 3304 W. Hwy, Mr. Yogash Kumar gave to us the week of Sept. 19 / Sept. 22 in no way shape or form has Mr. Kumar helped us in any other way, especially financially or with temporary housing which was stated in this issue of the Gallup Sun. The stay was not free and he is not assisting or providing temporary housing for myself and my family. We would like to thank the community, friends, and family for their support, donations and prayers during this difficult time. We do have a GO FUND ME account set up in the name of Ramirez Family displacement fund if anyone would like to make a contribution the link is gofundme.com/2qf8p8

Thank you,
