Animal Control for the City of Gallup, is asking people to hold onto animals and contact their own veterinarians if there is a medical need. Only animals who must be euthanized will be taken in. Since the Gallup-McKinley County Humane Society is a no-kill shelter, only animals who cannot be saved are euthanized. Throughout the year, the shelter has sent more than 3,500 animals to larger locations in Arizona, Utah and Colorado for adoptions. Those facilities are not taking transported animals at this time. In order to remain a no-kill facility, the shelter needs to provide enough space for the animals currently in its care. *For more information, gmchumanesociety@gmail.com; (505) 863-2616*
