Hi my name is Dexter! I am a Great Dane and Labrador mix, and I am approximately 3 years old. I am already neutered and up to date on vaccinations. What's also good news is that I am already microchipped!

I had a family but they never reclaimed me, but it's okay because I know that I will find my furever home again! I am great around kids and very few dogs but I have a massive bark that will protect you from any harm.

For more information about Dexter, please call the Humane Society of McKinley County at (505) 863-2616 or email them at humanesocietygmc@gmail.com .
