This handsome kitty is Reese, he is a 8-month-old neutered male. He has all his shots and is already microchipped, all he needs is a furever home to go to.

He loves to play with toys and be cuddled by our staff and volunteers, plus he gets along with other kitties.

Anyone interested in Reese can visit him at the Grants Animal Care Center at 722 Redondo Rd. in Grants, N.M. They are open Monday-Friday from 8 am to 4 pm.
