CITY OF GALLUP, NEW MEXICO  
Request for Proposals (RFP) NO. 2024-RFP-006  
Public notice is hereby given that the City of Gallup, New Mexico, is accepting sealed proposals for the following:

Lead and Copper Service Line Inventories  
GALLUP, NM

The City of Gallup, NM is seeking a qualified contractor to conduct lead and copper service line inventories within the City to meet the Lead and copper Rule Revisions (LCRR) published by the United States Environmental Protection Agency (USEPA) on January 15, 2021. The purpose of this project is to identify the presence of lead or copper service lines in order to comply with federal regulations and ensure the safety of our drinking water. The contractor will be responsible for conducting field surveys for Lead and Copper Rules, collecting data, and providing a comprehensive inventory report. As more particularly set out in the RFP documents, copies of which may be obtained via the City's eProcurement Portal. Copies are also available for viewing.

Electronically submitted proposals shall be received via electronic bidding platform before **2:00 pm (LOCAL TIME)** on or before **Thursday, May 23, 2024**, where proposals will be received and recorded by the City of Gallup Purchasing Department via virtual conference/video calls or through other virtual means.

The City of Gallup has transitioned to a new e-Bid/RFP software system powered by OpenGov. All solicitations will be released electronically through OpenGov and responses from proponents must be submitted electronically through this online platform. By using OpenGov, prospective proponents will be provided with all information regarding a bid including addendums and changes to the project requirements. OpenGov is a completely free service for all respondents. Prior to submitting a proposal, respondents are required to set up their free account with OpenGov. Register your company at City's eProcurement Portal. Only ELECTRONICALLY SUBMITTED PROPOSALS will now be accepted; system will not accept proposals submitted AFTER due date and time.
