An unscheduled water outage that is affecting parts of Phillipina Avenue and Apache Circle started at 11 am on Jan. 29 and will last until 5 pm.

The outage is affecting City of Gallup Water customers in the following areas:

- 204 Phillipina Avenue
- 105-109 Apache Circle

The city's water department will be making repairs to a broken water line in the area. They will need to temporarily shut down water service while they complete the work. Once the work has been performed, the water service will be restored.

Surrounding areas may experience low water pressure.

For any questions, call Utility Dispatch at (505) 863-1200.
