On Sept. 7, Cabinet Secretary Monique Jacobson of the New Mexico Children, Youth and Families Department will hold a PullTogether event from 1 to 2 pm at Gallup High School's Kenneth Holloway Auditorium, located at 1055 Rico St.

CYFD aims to improve the quality of life for New Mexico children. The department provides prevention, intervention, rehabilitative, and after-care services to New Mexico children and their families.

The PullTogether event is geared to get New Mexicans involved in the well-being of its children. The event enlists New Mexicans — parents, families, teachers, young people, and community members — to help make sure children are safe, cared for, and ready to succeed.

CYFD believes strong communities, diverse cultures, and unique low-cost activities make it possible for children in New Mexico to have a supportive upbringing and for families to get the support they need.

Gov. Susana Martinez will not be in attendance at this year's event.

RSVP along with number of guests to May Jaramilla at may.jaramilla@state.nm.us or call her at (505) 476-0452.
