

### **Aries** (March 21-April 19)

Madame G acknowledges your independent spirit. But, don't let your mood and self-involvement push those you love away. The Solar Eclipse encourages generosity and community. Take your anger and fear and put it towards helping others. Consider volunteering with Habitat for Humanity, or other community events and feel good.

### **Taurus** (April 20-May 20)

Have no fear Taurus is here. This is a time of change and disruption. The New Moon shakes it up. Change is difficult, especially for the routine loving Taurus. This is not the time to stick your heels-in and veg out on the couch. Take charge and, do what you do, take care of family and friends guiding your finances towards security.

### **Gemini** (May 21-June 20)

Got Sleep? As one of the signs most influenced by this solar event, Mercury and Uranus can lead you to exciting realms of thinking and lead to late nights. Put those communication talents to use apply for that new position, or finish that unfinished manuscript. Fight your instinct for surface dwelling and dig deep.

### **Cancer** (June 21-July 22)

There's not a lot you can do this week, but weather the storm. Your friends aren't ignoring you; they're busy and overwhelmed. Fight your nature and do something nice for your coworker who's got baby food stuck to her blouse, or your neighbor with an overgrown lawn. They'll notice and thank you later.

### **Leo** (July 23-Aug. 22)

This is a high time for you. Your audience of admirers is growing. Those around you need your balanced and generous spirit. Your career grows in leaps and bounds, as your ambition matches skill. Beware of your melodramatic tendency and provide your aura of confidence to those in need and the universe will love you even more.

### **Virgo** (Aug. 23-Sept. 22)

The solar eclipse combined with Mercury/ Uranus urges you to be ready for anything. As an earth sign, this is the time for purposeful and grounded reflection. Take the time to assess your physical and emotional needs. Use your analytical mind to overcome this bump in the road and reach out to those you love. They miss you.

### **Libra** (Sept. 23-Oct.22)

Your nerves are on a razor's edge. Maybe the hairs on the back of your neck are sticking up for good measure. It's understandable with Mercury in Libra there's the potential for anything. It could be the look from new love or an exciting adventure. Whatever it is be ready to share it and yourself with come what may.

### **Scorpio** (Oct. 23-Nov. 21)

Sparks light the way for you. After a short break or mental pause, this could be just the jolt you need. Mars leaves Scorpio this weekend, but while in Sagittarius it increases all areas of your life: wealth, creativity, and luck. With all the hills you've climbed this week your tenacity pushes you towards your life's purpose.

### **Sagittarius** (Nov. 22-Dec. 21)

Loosing something can be as good as finding it. It may not feel great at first, but it may just recharge your batteries. Everything may fall apart around you, but this often happens because of your stubborn unchanging behavior. Take this time of new challenges as a sign of better things to come just around the corner.

### **Capricorn** (Dec. 22-Jan. 19)

Expect the unexpected. Finances have been on your mind. Now is the time for that lucrative opportunity. It may appear suddenly or will kick off due to your hard-work and careful planning. Emotions are turbulent and out of control. Take this as a sign for change and of better things to come.

### **Aquarius** (Jan. 20-Feb. 18)

Your ready! It's in the way they walk or that sudden burst of brilliance. Don't fly down the path out of control. Use your best judgment and remain steady. You're not there yet. Keep your eyes on the prize and don't forget your objective. Now is not the time for frivolous spending take care and you'll get there.

### **Pisces** (Feb. 19-March 20)

Someone is attempting to take advantage of your gentle spirit. Use your intelligence and strong network to combat this nasty outcome. Ask for help when you need it. Remember don't take it personally. People rarely act out of pure malice, but don't let them get away with the "it's just business" mode. Take charge of what's yours.
