BIG NEW RELEASES!

DOUBLE WALKER: A young woman is murdered and returns from the dead as a ghost in this independent horror picture. It seems that this new and angry spirit is angry about her untimely end and tries to piece together what happened from scattered memories. She begins haunting and killing men whom she believes may be responsible for her death. One night while on the hunt, the ghost is interrupted by a kind theater usher who can see her.

A friendship develops, but her lingering need to find the person responsible starts to cause trouble. Reaction was upbeat toward this little feature. A small percentage thought that the story didn't make a lot of sense or add up to much. However, most were intrigued and thought it was a quirky and well-acted little picture with some memorable moments.

It stars Sylvie Mix, Justin Rose, Quinn Armstrong and Jacob Rice.
